MEMORANDUM TO: Colonel White

1. We received in your absence a letter addressed to the Director from Arthur S. Flemming, Director, Office of Defense Mobilization, dated 26 August 1954.
2. This letter advises that a second test of the "Emergency Relocation Plan" will be conducted on Saturday, 20 November 1954.
3. Each agency is to participate from its relocation site rather than D. C. headquarters, and Mr. Flemming asks that a substantial number of employees scheduled for relocation be included in the test.
4. The letter has been forwarded to [redacted] so that he may initiate action required in his office. I believe you may want to discuss this with him at an early date.
